REACHING NEXT GENERATION LEADERS & DEVELOPING WORLD CHANGERS FOR JESUS

Urbana Changed Red River Forever!

Thank you for praying! God moved in incredible ways at Urbana! Here are a few highlights:

- 4,200 committed to be long-term missionaries
- 6,400 committed to leading an evangelistic Bible study with a non-Christian this semester
- 100 became believers (yes, non-Christians chose to attend a missions conference)
- 32,000 AIDS caregiver kits were assembled in partnership with World Vision
- \$800,000+ donated towards missions

1 NEW STAFF TO PLANT AT TSU

That's right! At Urbana, I met a young woman named **Chelir Grady**, a Texas A&M Alum from Houston who is currently attending the Houston Sattelite for Dallas Theological Seminary. She had never heard of InterVarsity, but decided to attend Urbana completely on her own, wanting to learn and discover God's global call of missions for her life. Chelir heard God say the next chapter of her life was with InterVarsity. After several conversations with many people, including her former high school classmate, TGF Alum and current IV Staff LeAnn Jenkins, **Chelir has applied, been interviewed and accepted a position to plant at Texas Southern University!** It will be the first **Historically Black College or University (HBCU) we will be on in Red River!**
